Each year, the Echo has strived to bring back memories of days gone past. The heartaches and the happinesses--the pleasures and the disasters. All of these seem to be part of the pattern that has survived throughout the generations and made today the way it is.

This year, we again wish to recapture these same things. We have tried to preserve some of those moments that can only happen once. We hope you will enjoy what we have in store. Someday when you look back on this yearbook, we hope that you will remember some of the good times (and even some of the bad ones) and recall how it was "when you were a kid."

EDUCATION

- 1927 Graduated from Massena Central High School as Salutatorian of Class
- 1928 Received a 3-year elementary license certificate from Madrid Training Class--Valedictorian of Class

- 1968-1975 Chief School Administrator, Elementary Supervisor, Transportation Director and Federal Funds Coordinator

Mr. Howard Snyder
Chief School Administrator

dictating to Mrs. Goldie

Working on one
of many reports

presiding at the National Honor Society

helping a student

We wish to dedicate the 1975 Echo to our Chief School Administrator, Mr. Howard G. Snyder. He has been a teacher, coach, and especially a leader for 47 years.

Mr. Snyder has always strived to encourage new and superior educational methods so as to better the capabilities of all students. Under the Title I and II grants from the federal government, he supervised the beginning of the Remedial Reading Program and saw to the organization of hundreds of volumes of books purchased through title II.

In 1971, the Team Teaching program was also organized by Mr. Snyder to provide the elementary students with a better learning environment. Since the program was begun it has been very successful.

Through the years he has showed interest in many other activities concerning students. In the years between 1944-46, he organized a Boy Scout Troop and a 4-H Club.

For these years of dedication and accomplishments we humbly dedicate our yearbook.

attending an honor tea

Anticipation

It costs too much!

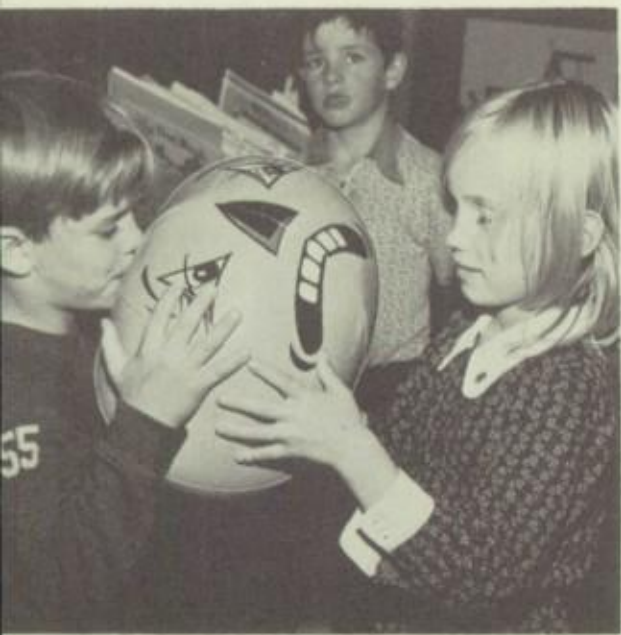

Desolation

Time out!

All in a days work.

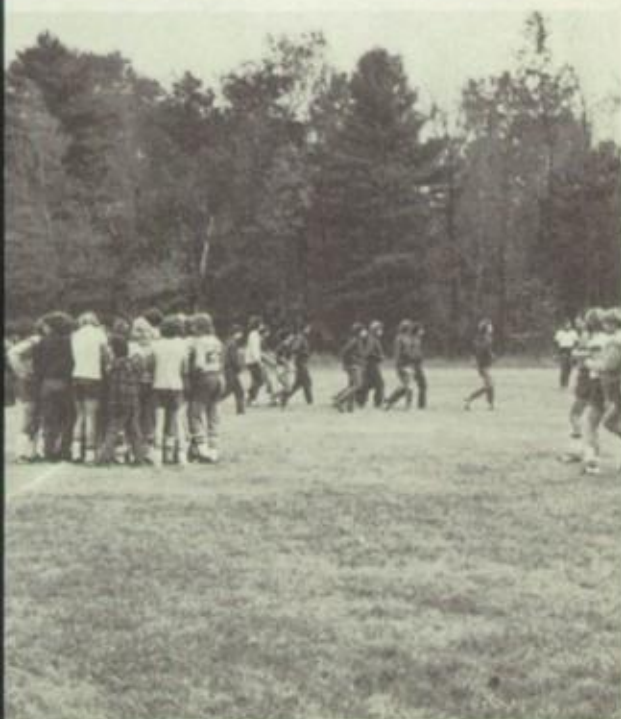

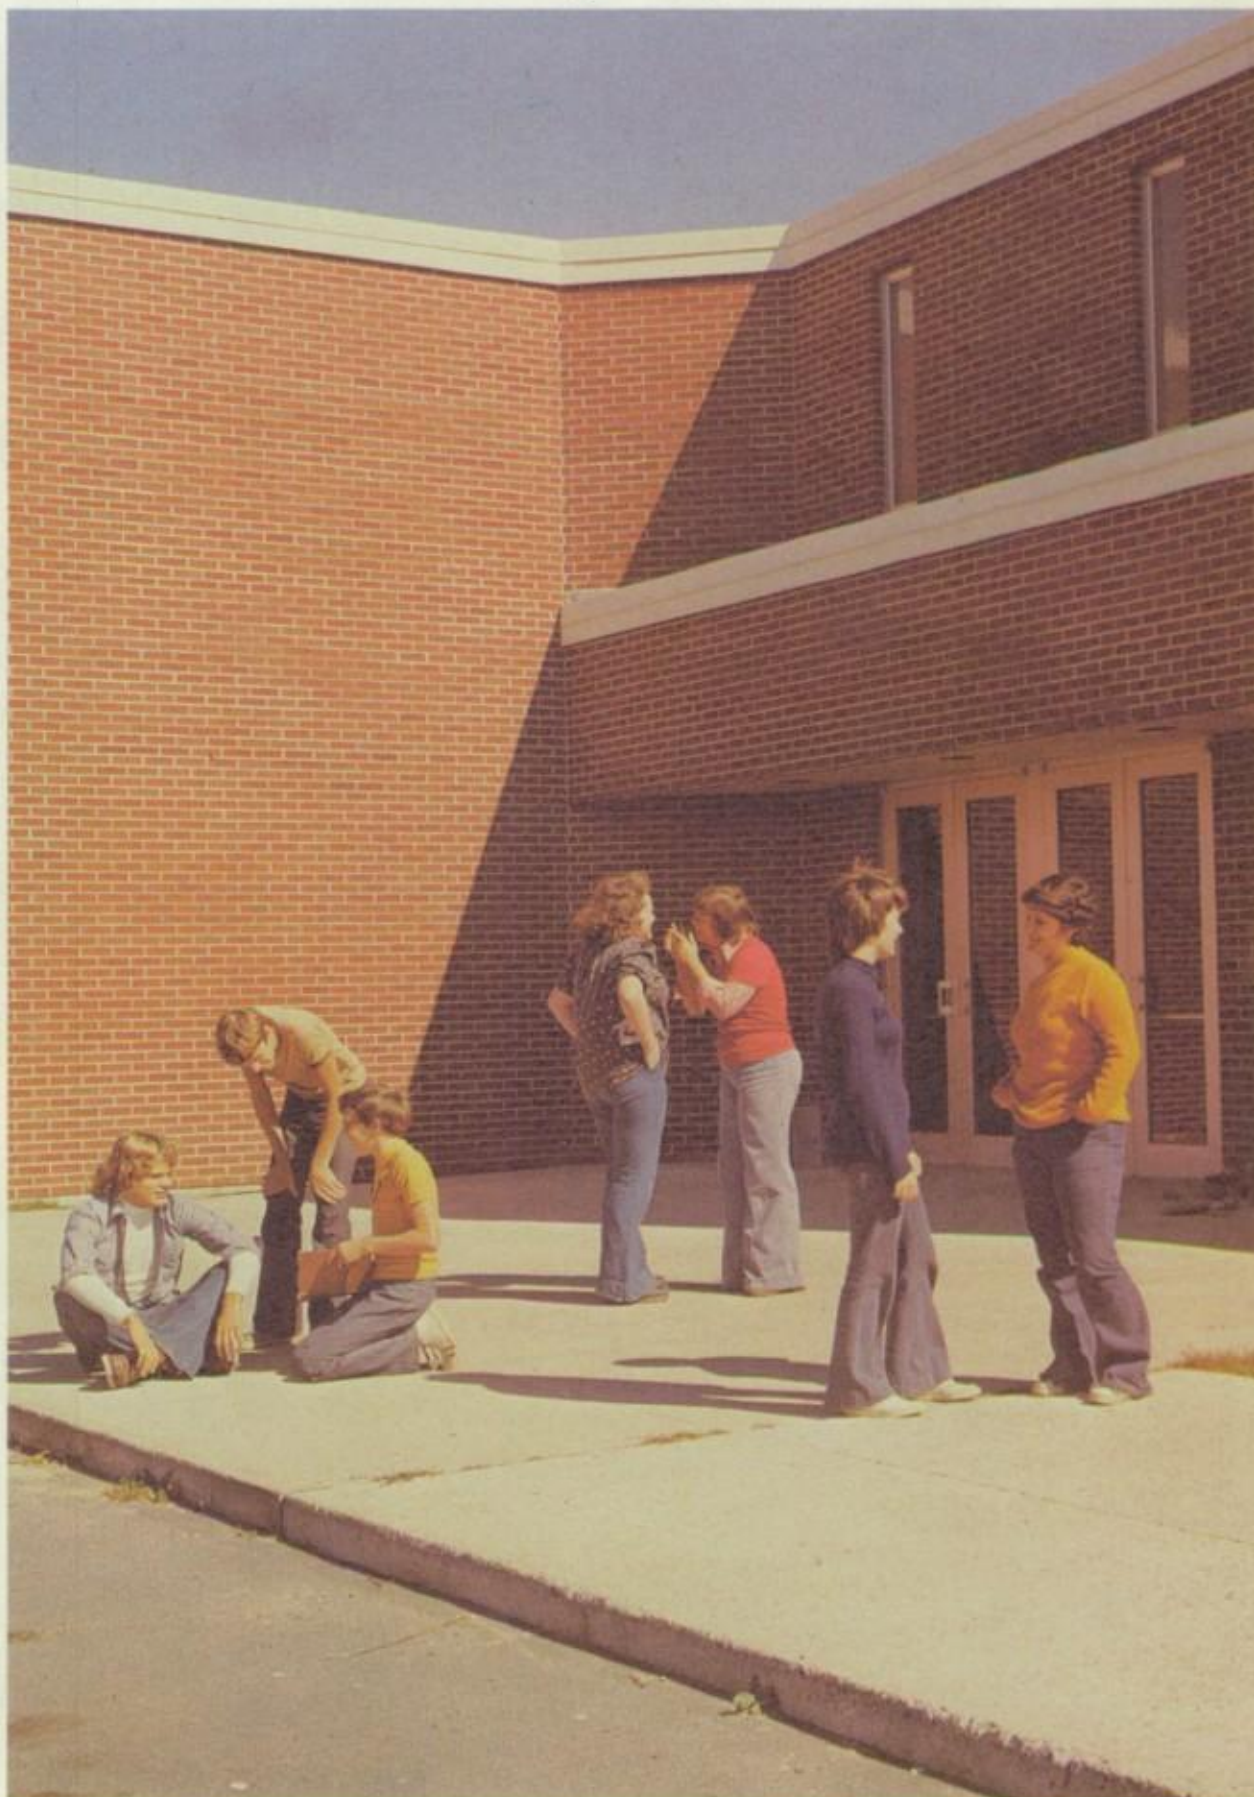

Blowing up a pumpkin?

Using my creativity

The exchange of impressions

I got it!

Does this belong to you?

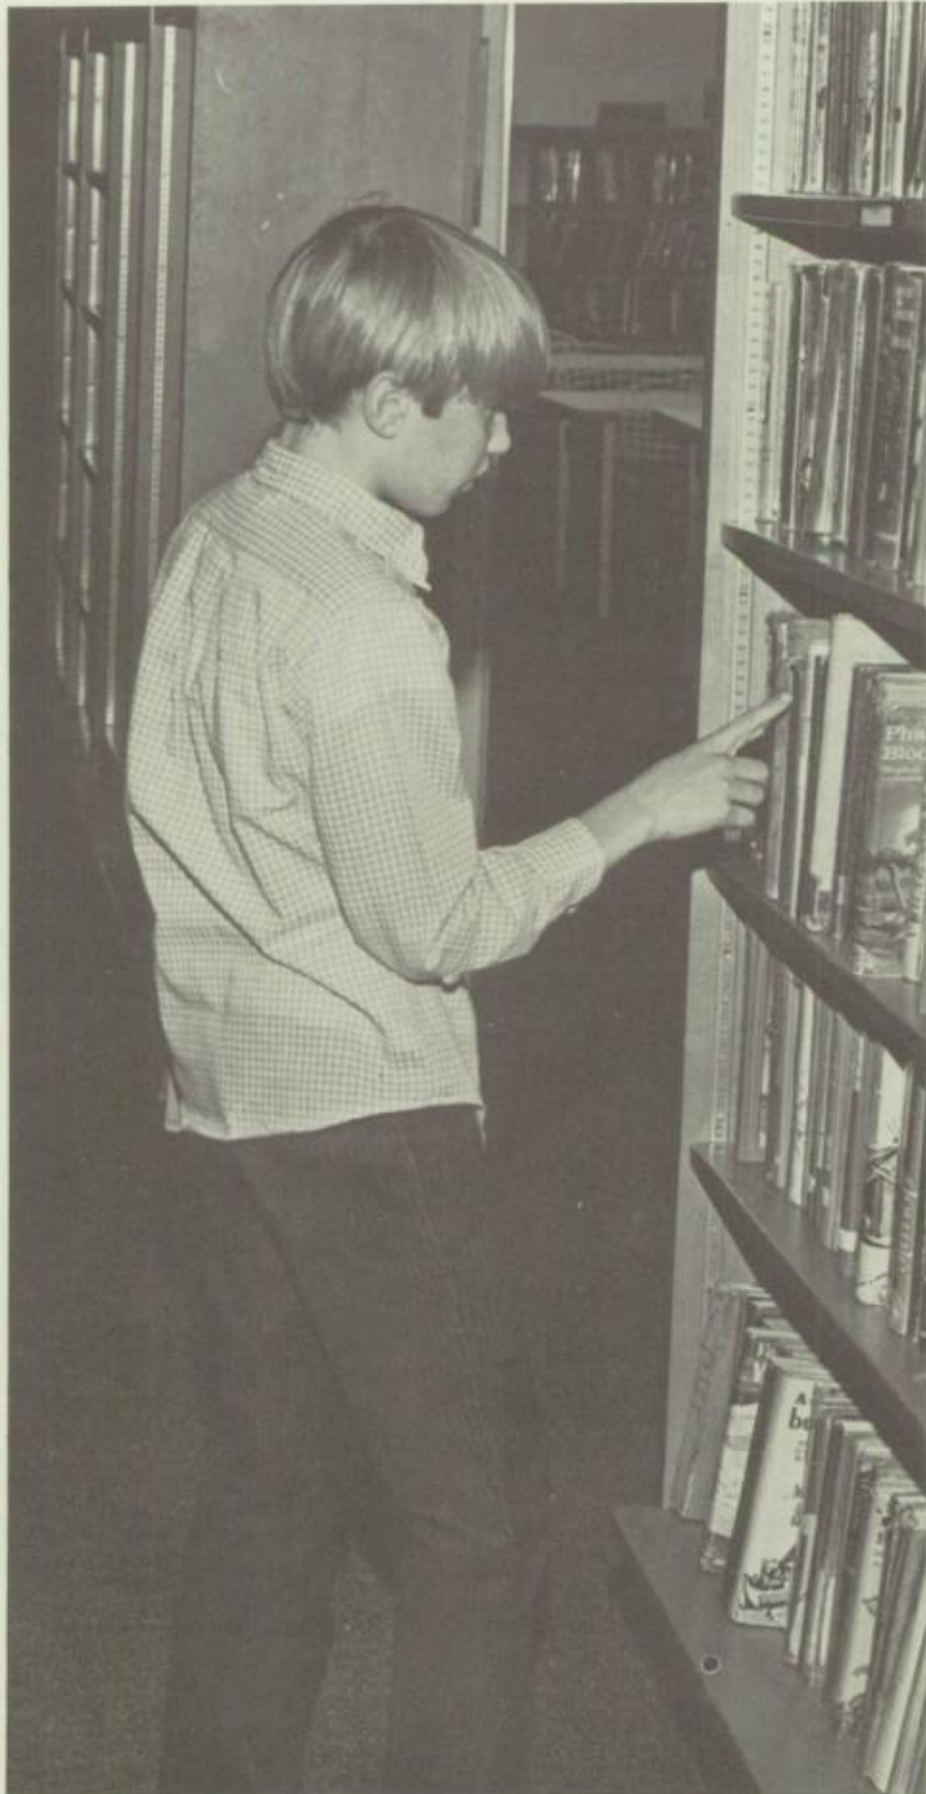

And thats the way it is!

Chow-Chow-Chow!

I thought you did it!

I should have done my homework last night.

A tough choice!

Concentration

Open door policy!

Lisbon: Separated

The Battle rages!

Watchful eye.

She won't let me have it!

Using her talents?

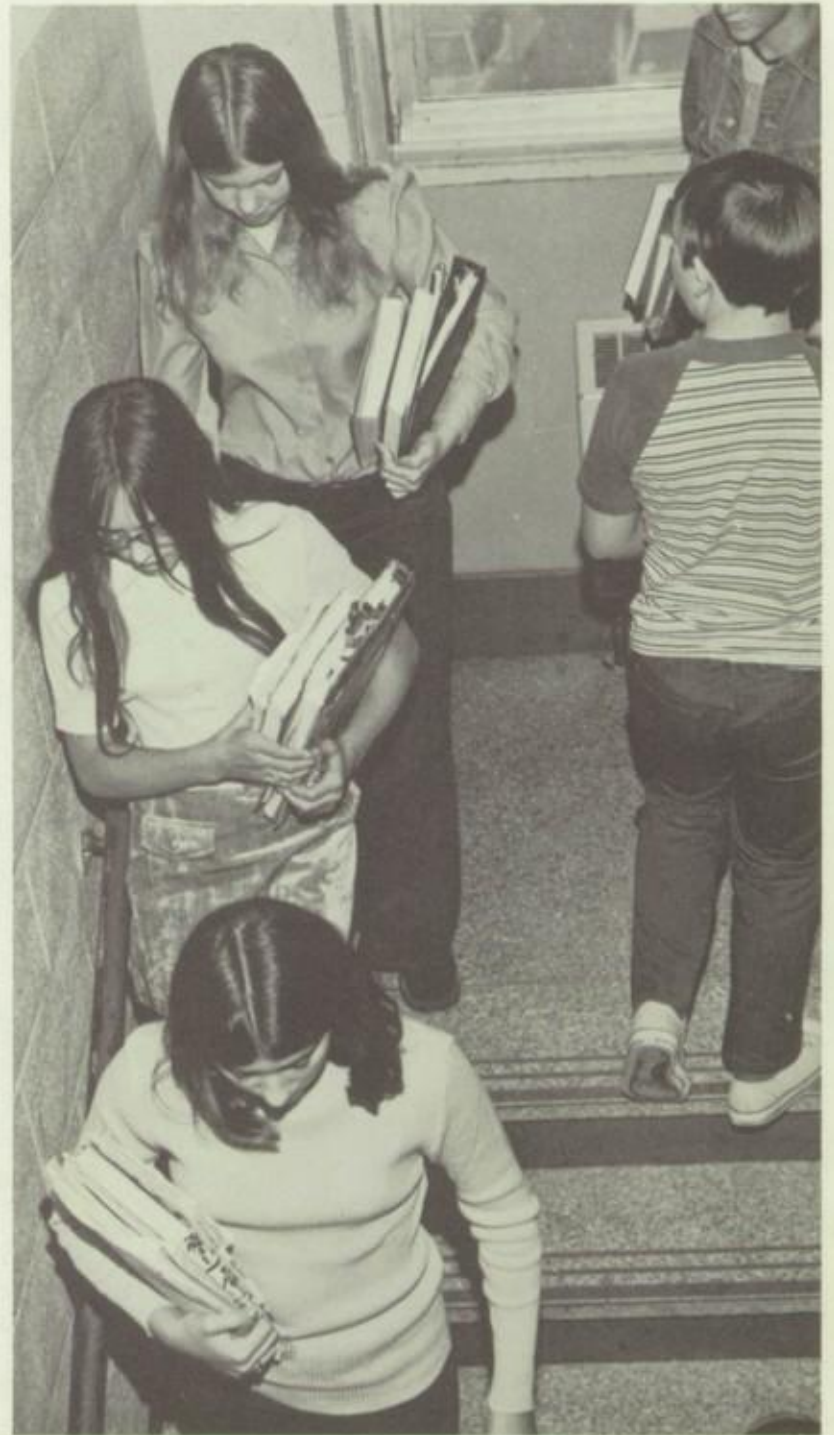

And the Beat goes on!

Morning Delivery

Using our Library Resources

Between Mods

Creative Process at Work

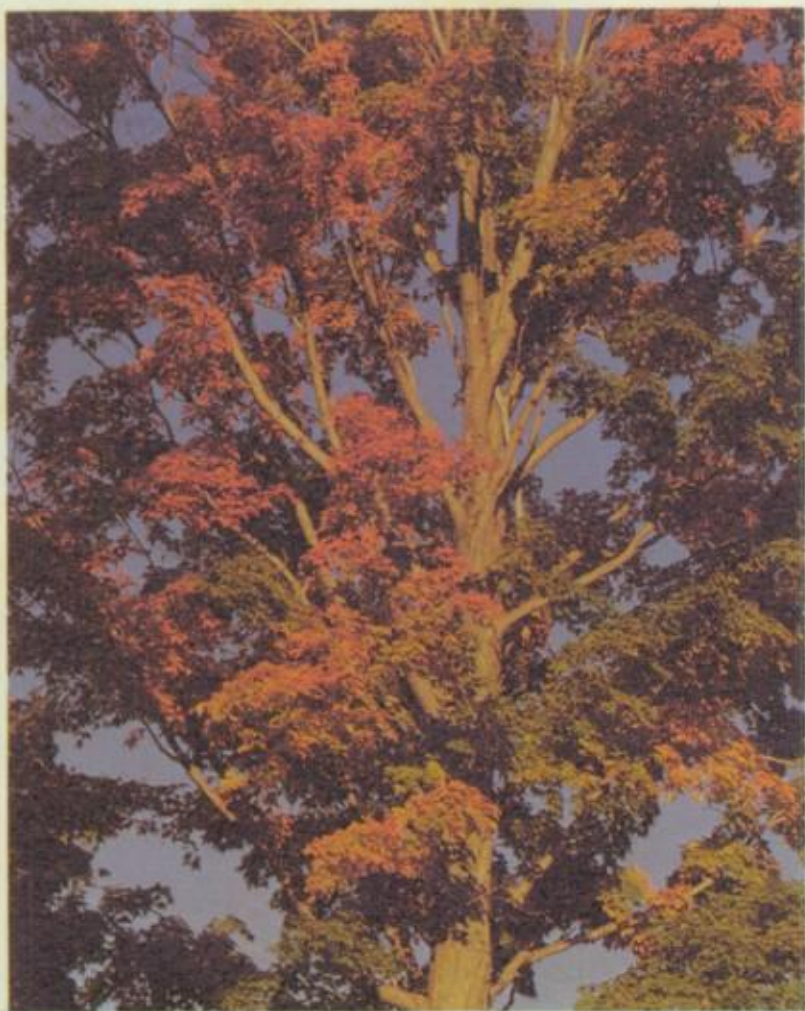

It's done this way.

Have I got the book for you!

Urban Renewal Hits Lisbon

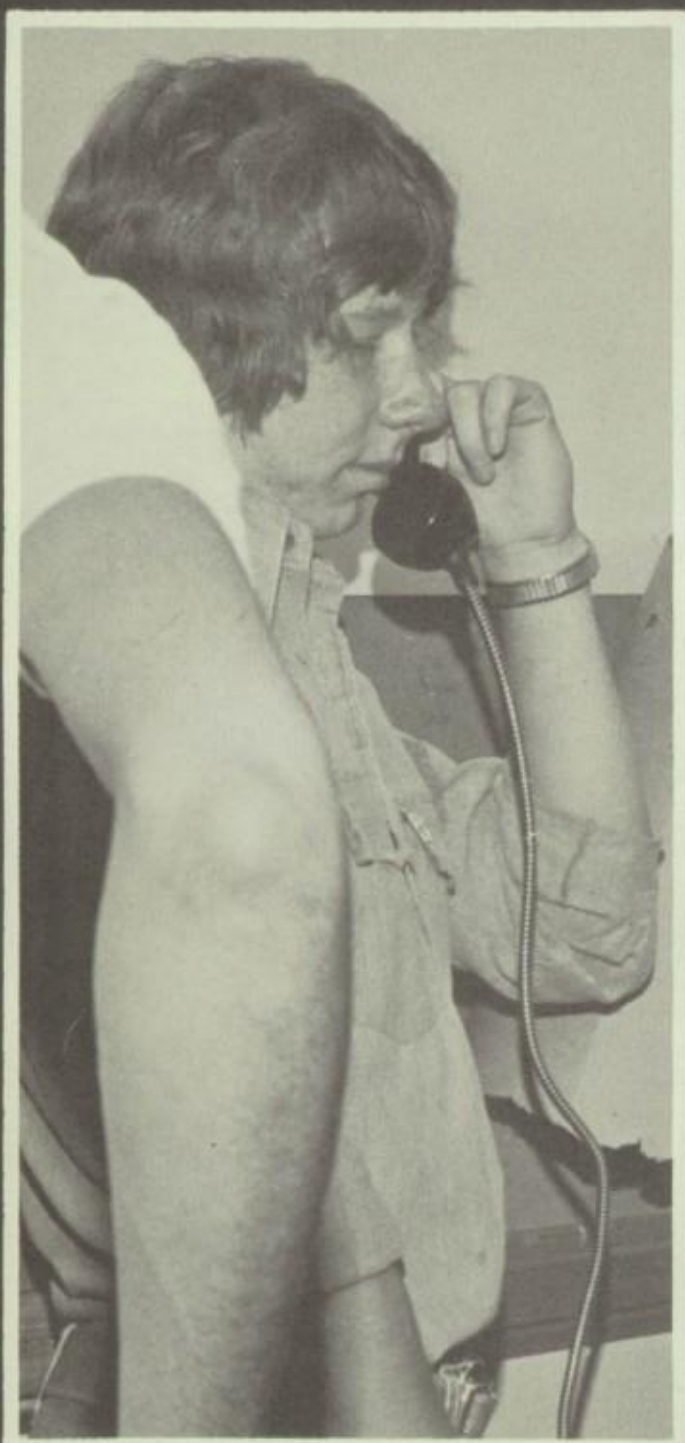

A segment of our growth.

DIVERSIONS

Seated, Row 1: Peggy McNeil, Steve Thompson, David Thompson, Darlene Brander. Row 2: Kathy Carsille, Jeff Dezell, Randy Teele, Ro-

bert Winters, Penny Wood, Peter Burley, Gordon Akins. Row 3: Jonn Baxter, Dennis Winters, Robert Burley, Dave Knight, Bill Nelson.

Future Farmers of America

This school year saw the start of a new area of knowledge, Horticulture. The greenhouse built entirely by the students taking agriculture, has become a beehive of activity. Students will be able to receive awards on all levels of Horticulture, making available some new honors. Experiments in foliage crops, vegetables and fruit are conducted. Identification of seeds, crops and plants, grafting disease control, insect control and many more experiments are conducted. Future job opportunity is great with proper training and further education.

In the Mechanics area, students and FFA has outstanding small gas engine teams, agricultural mechanics teams and welding teams. In a time when "Doing it yourself: saves time, money, and gives self-satisfaction, agriculture mechanics is a very popular area.

This year the Lisbon FFA has been far from discriminated in the awards category. Pictured in this photo are the ribbons and rosettes from only three judging contests that Lisbon students have received. Lisbon participated in approximately eight contests this year, from county to state level.

Crop judging teams must become proficient in identification and placement of common forage crops, seeds, and weeds. This year the Lisbon crops judging teams have rose to the top position in St. Lawrence County. They won first place honors at Hammond fair and two close second placings at Gouverneur Fair and Canton A.T.C. High School Day.

This year the Lisbon Chapter of FFA has become the leading chapter in St. Lawrence County, with high possibility of holding this position for years to come. For three years Lisbon has won all leadership contests on the county level, Lisbon also took first honors at Hammond Fair, Canton High School Day, and the Lisbon Area Dairy Judging Tour. Lastly, in the area of community aid, Lisbon received a State award in the Building Our American Communities program, for the work in the Lisbon Teen Center.

Congratulations to the Class of 1975

When you set up housekeeping,
you'll be collecting a lot of things.
Things that will last
and things that won't.

A home lasts, and has value.

Rent receipts sometimes last,
but they never have any value.
Except maybe sentimental.

Before you set up housekeeping,
come in and talk to us
about owning your own home.
It's easier than you might think . . .
and it often costs less than paying rent!

"Let us help you own your own home."
